Scottsdale Distance Classic

FINAL INSTRUCTIONS

Time Schedule for April 4

Mandatory coaches' meeting at 6 p.m. First race 6:30 p.m.

Directions to Saguaro HS

Saguaro HS is located at 6250 N. 82nd Street in Scottsdale (just north of McDonald Drive, just east of Hayden Road). Parking is available in the lot on the north side of the school (enter from 82nd Street). After exiting your bus, walk west past the softball field, then turn left and walk down the alley to the track. Please avoid the construction areas.

From the north and west

Take I-17 to loop 101 west. Stay on 101 for about 20 miles; you will now be going south. Exit McDonald Drive and turn right. Go west about one mile, just past the stoplight at Granite Reef (there is a Circle-K on the corner). One-quarter mile past Granite Reef is the stoplight for 82nd Street. Turn right. Go past the school (on your left) to the parking lot.

From the south

Take I-10 north/west to loop 202 (the first/southern one). DO NOT stay on I-10, because the traffic in the Ahwatukee area (Chandler Boulevard through Baseline Road) can be a challenge. Take loop 202 eastbound (right) to loop 101. Take loop 101 northbound (left) approximately 15 miles. Exit McDonald Drive and turn left. Go west about one mile, just past the stoplight at Granite Reef (there is a Circle-K on the corner). One-quarter mile past Granite Reef is the stoplight for 82nd Street. Turn right. Go past the school (on your left) to the parking lot.

From the northeast

Take Beeline Highway to Shea Boulevard. Turn right. Stay on Shea for approximately 13 miles. Turn left onto loop 101 and go south approximately 4 miles. Exit McDonald Drive and turn right. Go west about one mile, just past the stoplight at Granite Reef (there is a Circle-K on the corner). One-quarter mile past Granite Reef is the stoplight for 82nd Street. Turn right. Go past the school (on your left) to the parking lot.
